

ROBO-EAGLES

Roboeagles.org

Who Are We?

We are a high school robotics team that competes in the regional FIRST robotics competition every year. We build robots, we build relationships with companies, and we build our community by promoting Science, Technology, Engineering, and Math.

What we can do for you

- Publicity
- Robotics Summer Camps
- Robotics Birthday Parties
- Provide the tools to set up FLL and FRC teams of your own

What you can do for us

- Sponsorship
 - Financial Aid
 - Materials Aid
- Publicity
